OK Sorry. I didn't know the schedule. I can stay longer if needed, if SRST is OK with meeting with just me after Darcy and Kim leave.

Subject: Re: SRST request for UIC Consultation

Valois,

Darcy was planning to flight the day prior (Monday, APR 27th) and flight back to Denver on Tuesday, APR 28th with the flight below at 5PM:

5:03 PM – 5:55 PM

1h 52m

United · Operated by Skywest DBA United Express

BIS-DEN

I never been in this airport. I don't know if leaving Ft Yates before 2PM, that's enough time to make it back at around 3PM. That will give 30 min to turn in the rental car and 1 hour to the terminal. I am thinking the plane will start boarding at around 4:30 PM.

I can propose the tribe to meet before 1PM due to the flight schedule. For example: Propose the meeting at 12PM to 1PM.

If not, we will need to propose other days.

It looks like the flight into Bismarck that morning leaves Denver at 10:35 AM and arrives Bismarck at 1:18 PM, then we have about a 90 minute drive after getting the rental car.

I don't see how we can make that work. Do you have some dates we could propose back to Allyson & we could check Kim's calendar for those dates.

Hi Omar. I would have to be on the 5 pm flight back, so the meeting couldn't be much longer than an hour (assuming we are meeting in Ft. Yates). I'm concerned we wouldn't be leaving enough time. Valois/Kim – your thoughts?

Thanks

D

Good morning Darcy,

The SRST Chairman would like to meet at 1PM on the 28th. Will this work for you? See Allyson's response below.

Spoke to the Chairman. The 28th will work but can we schedule for 1pm? They have Council meeting scheduled for the morning.

Good afternoon

I visited with our Chairman and legal on availability of dates for the Dewey Burdock consultation. So we have the following dates available; the week of March 23-27th or April 28th. We can follow up next week when you have a chance to review the schedule. Thanks and have a great week end.
